

REDUCE RISK. CREATE TRUST.

EARLY WARNING

Help your organization address problems before they progress.

STAY COMPLIANT

Enable an effective compliance program to meet regulatory standards set forth by USFSG, OECD and FCPA.

MINIMIZE RISK AND PREVENT LAWSUITS

Increase employee trust in the entire process. Reduce fear of retaliation through prompt handling of allegations, keeping the reporter informed and always being transparent.

INCREASE STUDENT TRUST AND SAFETY

Reduce financial and reputational losses. Identify potential risk areas for your business via standard reporting and robust analytics.

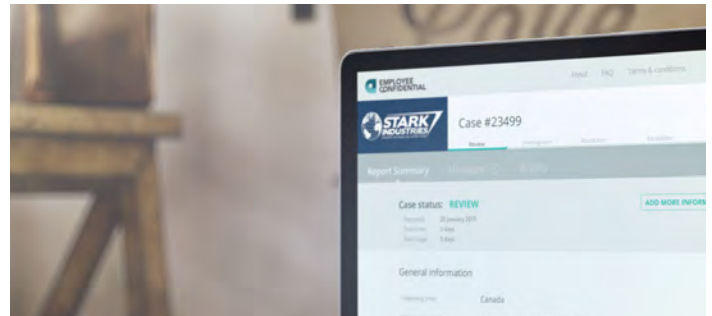

MINIMIZE RISK AND PREVENT LAWSUITS

Help prevent legal action against your company for negligence. Provide an alternative to whistleblowing.
